in the direction of reducing the dimensions of the pond, diverting the sewage from it and reclaiming the bed on which could be constructed a market for the benefit of the inhabitants of this part of the City.

Reply of Government.—This pond is certainly a nuisance and it is, therefore, hoped that the necessary improvements will be effected by the Board as quickly as possible.

Subject No. 411
A standing committee for the Municipal Board.

Summary of discussion.—Government may be pleased to appoint a standing committee of Municipal Commissioners, consisting of the Vice-President, the Civil Surgeon, the Engineer and one or two non-official members, for the purpose of enquiring into, and disposing satisfactorily of, all disputes relating to drains, walls, windows, &c., which at present are carried to the Civil Courts to the detriment of the maintenance of good feeling between neighbours.

Reply of Government.—Government do not see how this can be done without depriving the Civil Courts of their jurisdiction over such matters. The suggestion, however, is noted for consideration.

Subject No. 412
Eye Infirmary.

Summary of discussion.—The establishment of an Eye Infirmary in the City of Mysore is desirable.

Reply of Government.—Noted.

Subject No. 413
A Medical class.

Summary of discussion.—The formation of a Medical class for the purpose of giving instruction in what is best both in eastern and western medicines would be a beneficial measure and deserves the favorable consideration of Government.

Reply of Government.—If the Civil Surgeon can find time, he can of course deliver lectures. Nothing more seems feasible.

Subject No. 414
Special chairs for the College at Mysore.

Summary of discussion.—Arrangements may be made for imparting instruction in Biology, Logic and Philosophy in the College at Mysore.

Reply of Government.—Noted.

Subject No. 415
A. B. L. class in Bangalore.

Summary of discussion.—A. B. L. class may be opened in Bangalore.

Reply of Government.—Noted.

Subject No. 416
A Students' Home at Bangalore.

Summary of discussion.—The want of a Students' Home at Bangalore has long been much felt. We are thankful to Government for having now sanctioned the construction of one and it is hoped that the work will be rapidly pushed on.

Reply of Government.—The work will be expedited.

Subject No. 417
Sanitation of villages.

Summary of discussion.—One half of the Mohatarfa collections of each village in the Mysore Taluk may be spent upon the improvement of the sanitation of that village.
